City of Mesa: CityLink

Download City of Mesa's Mobile Application, CityLink. The app is a real time civic engagement platform provided for City of Mesa Residents. When you see an issue around Mesa you can quickly snap a picture and report it using the app.

After an issue has been reported you can check back for updates. It is also possible to see previously reported issues in that area. For those who do not like to use mobile applications this service is also available online at <https://citylink.mesaaz.gov/Default>.

Let's work together and keep Mesa a great place to live!

There should be no ATVs, golf carts, or vehicles of any kind driven in the common areas. They cause expensive damage to our parks. If you see anyone driving an unauthorized vehicle in the common areas please call the Mesa Police Non-Emergency line to report the activity. If you have questions regarding this please call our management company, RCP.

Keep Porch Lights Lit

In the past few months there has been an increase of vehicle break ins in our area. At a recent meeting Mesa PD said there was an easy way for residents to help. They suggested that residents leave their porch lights on in the evening.

Studies done by criminology departments have shown that a well-lit street can deter criminal activity. Help yourself and your neighbors keep our community safe by leaving your porch and front garage lights on in the evening.
